Peter

Thank you. Attached is a draft letter to Barclays for any comments you have. I am particularly keen not to cut across what you are doing but think this is ok.

The letter has a few gaps which I will fill in when I am back in the office on Tuesday.

Andrew

Andrew

I agree with the “why not” approach. Perhaps your letter should reference ours and state something along the lines of “ ...taking account of the position outlined in CRS’s letter of ...”.

Then we can push hard for a meeting/discussion.

Kind regards

We do need to know Barclays' basic position and I have discussed with Nicola that, as the conveyancing solicitors, we could write to Barclays and ask for the figure. However, I am mindful of your letter and do not want to cut across that.

Baby,

Please could you instruct both sets of lawyers to copy me in to emails at nick@warwickriskmanagement.com? Also, will you be able to help with some translations from French into English?

Are you still OK for tomorrow? James needs to know numbers. We could go by train. Also, would you like to stay up there or come back to London?
