D00232 Police report regarding the investigation into ZT, Carlos Perez and Sam Zormatti for corruption of a foreign official, tax fraud, money laundering. Documents transmitted by the tax authorities in Monaco concerning the loan of 6M € by Barclays Monaco to SCI Lamartine secured by the property at Avenue Georges Mandel. It is noted that the loan did not at any time benefit SCI Lamartine as the money was transferred to Alveston, Spectrum Aerospace and Warwick Estates Ltd. This was a personal loan to ZT.
