Thanks for coming over.
Really sad that it was all about your commercial interest and nothing to do with us.
I've finally got it now.
Don't bother about thinking through a new contract between the 2 of us.
Tonight made up my mind.
Good luck with the rest of your life.

I didn't want to argue and still don't. Happy to talk in the morning or whenever suits. But I really don't want to argue tonight. The stress is killing 22:28

Let me take the stress away. Nothing more to say 22:35
